

We know her as Cyd
So smart and so clever
She's Cyd in the sunshine
And all kinds of weather.

She's Cyd on her birthday
And each day of the year,
Is a day we celebrate
Just because she's here.

She's Cyd with her Mom
And is Daddy's girl
And Cyd with Grandma Ruth
And Grandma Marcella too.

She's Cyd in the morning
And Cyd all day long
She's Cyd when she's sleeping
Or singing a song.

Cyd's Aunts and Uncles
Cousins and Friends
Know her as Cyd Xiu
Weekdays and weekends.

She's Cyd when she's dancing
Or swimming in a pool
Cyd is her name
Every day at school.

She's Cyd speaking English
Or speaking Chinese
Cyd's very thoughtful
Saying thank-you and please.

She's Cyd when shes silly
Or Cyd whe she's wise
And puts her heart into
Whatever she tries.

She's Cyd in a park
And Cyd in a plane
She's Cyd when she falls
And gets up again.

She's Cyd when busy
With so much to do
And Cyd that has time
To say "I love you."

She's Cyd in the city
And Cyd at the beach
Whether coming or going
Or resting her feet.

She's Cyd looking fancy
Or Cyd with no shoes
Whether dressed head to toe
Or in her birthday suit.

She's Cyd the princess
And Cyd the rock star
She's Cyd when she's walking
Or traveling by car.

She's Cyd when learning
And already knows it too
Cyd knows there's nothing
She cannot do.

She's Cyd at a party
With lots of friends
And Cyd by herself
When another day ends.

She's Cyd when tired
And pooped out too;
Even dreaming big dreams
She's still Cyd Xiu.

She's Cyd the unstoppable
And only she knows
The big plans she has
And oh, the places she'll go.

She's Cyd when she's helping
Or being a funny pest
But all of this put together
Is the Cyd we love best.

The sweetest of girls
You could ever meet
And by any other name
She'd still be as sweet.

She's Cyd in this story
Of pictures and words
But Cyd in real life
Is the girl we love.

She's Cyd our life's treasure
Our family gem
Cyd is our girl,
Beginning, middle and end.
